

Tax Insurance??

Sorry, no you can't insure for tax you owe!

But you can take out insurance for professional fees in the event of a tax investigation, which would pay for 100% of the cost of specialist tax advice, as well as fees from ourselves or other professionals you may need, up to a specified maximum level, that level being based on your turnover.

We at MHK offer this option - one policy covers all entities and taxpayers in your business group.
